TOWN OFFICES
TOWN HALL

772-5423

SELECTMEN'S OFFICE

Harriette Willoughby, Secretary
Office Hours: Mon., Tues., Thurs. & Fri. - 9:00 a.m. - 12:00 noon

ADMINISTRATIVE ASSISTANT OFFICE

Sandra Gavutis
Office Hours: Mon., Tues., Wed. & Thurs.

TAX COLLECTOR'S OFFICE

Carlene Wiggin, Tax Collector
Linda Buxton, Deputy
Office Hours: Mon., Wed. & Fri. - 9:00 - 11:00 a.m.
Wed. evenings 6:30 - 8:00 p.m.

First Monday of each month throughout the year at Selectmen's Meeting - 8:00 p.m.

TOWN CLERK'S OFFICE

Linda Buxton, Town Clerk
Kathie Felch, Deputy
Office Hours: Mon., Wed. & Fri. - 9:00 - 11:00 a.m.
Wed. evenings 6:30 - 8:00 p.m.

POLICE DEPARTMENT, Michael Aquilina, Chief Town Hall 772-2929
Rockingham Dispatch 772-4716
Mary Ann Bouchard, Secretary

FIRE DEPARTMENT, Hubert Schweizer, Chief 772-5191

AMBULANCE, Rescue Squad 772-5191

SELECTMEN meet on 1st & 3rd Mon. every month, Town Hall, 7:30 p.m.

PLANNING BOARD meets 1st & 3rd Thurs. monthly, Town Hall, 7:30 p.m.

BOARD OF APPEALS meets 1st Tues.monthly, Town Hall, 7:30 p.m.

CONSERVATION COMM. meets 3rd Thurs. monthly, Town Hall, 7:30 p.m.

SCHOOL BOARD meets 2nd Thurs.monthly at School, 7:00 p.m.

INFORMATION FOR RESIDENTS

Because the general public is often unaware of various laws and regulations, the Town of Kensington has prepared the following list as a guide for those considering purchase, development or construction in the town. This list is for information only and the public should consult the appropriate officials or boards for further details.

SUBJECT	LIMITATIONS	REGULATORY BODY
Scenic Roads North Road Hilliard Road Trundle Bed Lane New Boston Road Highland Road Wild Pasture Road Moulton Ridge Road Muddy Pond Road Stumpfield Road	Cutting of trees, alteration of stone walls, road maintenance	Planning Board
Wetlands	No digging, filling or other flow modification or structure in wetlands as defined by Land Use Ordinances	Planning Board, Conservation Commission
Subdivision	Must meet requirements of zoning ordinances and regulations	Planning Board
Commercial/Multifamily Development (In Residential/ Agricultural District)	Any other than agricultural or single family dwelling	Board of Adjustment (Special Exception, Planning Board (Site Plan Review)
Home Occupation	Use of home for business	Board of Adjustment (Special Exception, Planning Board (Site Plan Review)
Commercial Zone	Commercial/Industrial Development in Commercial/Industrial Zone	Planning Board (Site Plan Review)
Building Permit	No construction until permit signed by selectmen	Building Inspector

SUBJECT	LIMITATIONS	REGULATORY BODY
Occupancy Permit	No occupancy or use of new or modified building until approved	Building Inspector
Septic Systems	Must meet Town and State standards	Test Pit Inspector
Driveways	Must have permit before work starts	State Hwy - State Town Road - Road Agent
Gravel	Must have permit for any new excavation	Planning Board
Signs	Size, lighting, location	Planning Board
Bonfires	No burning without permit	Fire Warden
Timber Harvest	Yield Tax, limits on cutting	Selectmen
Motor Vehicle Registrations	Annual	Town Clerk
Dog License	Annual, must have rabies shot	Town Clerk
Dog Control	Dog must be controlled on owner's property	Animal Control Officer
Town Hall/Town Park	Private functions by prior approval of selectmen	Selectmen
Junk Cars	No more than one unregistered vehicle on lot	Code Inforcement Officer
Refuse Disposal	Weekly pickup, Wednesday, in containers at end of driveway	Selectmen

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Kensington in the County of Rockingham in said State, qualified to vote in Town Affairs:
Polls will be open from 10:00 am to 7:30 pm.
You are hereby notified to meet at the Town Hall in said Kensington on Tuesday, the fourteenth day of March, next at 10:00 of the clock in the forenoon, to act upon the following articles:

1. To choose all necessary Town Officers for the year ensuing.

2. Are you in favor of adopting the building code regulating the use of metal chimneys in accordance with National Fire Codes, 1986?

Metal Chimneys (Smokestacks)

4-1 General Requirements.
4-1.1 Single-wall metal chimneys or unlisted metal chimneys shall not b used inside one- and two-family dwellings.

4-1.2 Metal chimneys shall be constructed of steel or cast iron. Sheet steel shall have a thickness not less than that indicated in Table 4-1.2

Table 4-1.2 Minimum Thickness of Sheet Steel Chimneys

Mfgr. Std. Gage No.	Min. Thickness in. (mm)	Area in^2 (m^2)	Equiv. Round Diam. in. (mm)
16	0.053 (1.35)	Up to 154 (.0994)	up to 14 (356)
14	0.067 (1.70)	155 to 201 (.0999 to .1296)	over 14 to 16 (356 to 406)
12	0.093 (2.36)	202 to 254 (.1303 to .1638)	over 16 to 18 (406 to 457)
10	0.123 (3.12)	Larger than 254 (.1638)	over 18 (457)

Note: Regardless of minimums in this table, the thickness of sheet meta shall be adequate to meet the requirements of 4-1.3.

4-1.3 Metal chimneys shall be properly riveted, welded or bolted, secur supported and constructed in accordance with good engineering practice a necessary for the following:

(a) Strength to resist stresses due to steady or gusting wind loads.
(b) Adequate anchoring, bracing, and inherent strength to withstand seismic and wind-induced vibrational stresses.
(c) Proper material thickness for durability considering fuel analysis, gas temperature, and exposure.

(d) Security against leakage of flue gases under positive pressure.
(e) Allowance for thermal expansion of breeching and vertical sections.

4-1.4 Metal chimneys shall not be used inside of ventilating ducts.

Exception: When such ducts are constructed and installed as required by this standard for chimneys, and the ventilating ducts are used solely for exhaust of air from the room or space in which the appliance served by the metal chimney is located.

4-1.5 Metal chimneys shall have sufficient clearance from buildings and structures to avoid heating combustible material to a temperature in excess of 90degrees F (50 degrees C) above ambient and to permit inspection and maintenance operations on the chimney. They shall be located or shielded to avoid danger of burns to persons.

4-1.6 Metal chimneys shall be supported on properly designed foundations of masonry or reinforced portland or refractory cement concrete or on non-combustible material having a fire resistance rating of not less than 3 hrs. provided such supports are independent of the building construction and the load is transferred to the ground. A metal chimney may be supported also at intervals by the building structure, in which case expansion joints shall be provided at each support level. All joints shall be liquidtight or of a design such that liquid will drain to the interior of the chimney.

4-1.7 Metal chimneys serving residential-type or low heat appliances and producing flue gases having a temperature below 350 degrees F (165.5 degrees C) at the entrance to the chimney at full load or partial load shall be lined with acid and condensate resistant metal or refractory material, or constructed of suitable stainless steel, or otherwise protected so as to minimize or prevent condensation and corrosion damage.

4-2 Metal Chimneys for Residential-type or Low Heat Appliances.

4-2.1 Termination (Height). Metal chimneys for residential-type or low heat appliances shall extend at least 3 ft. (.92m) above the highest point where they pass through the roof of a building and at least 2 ft. (.61m) higher than any portion of a building within 10 ft. (3.1m).

Exception: The outlet of a metal chimney for residential-type and low heat appliances equipped with an exhauster may terminate at a location not less than 3 ft. (.92m) from an adjacent building or building opening and at least 10 ft. (3.1m) above grade or walkways.

In any case, the outlet shall be so arranged that the flue gasses are not directed so as to jeopardize people, overheat combustible structures, or enter building openings in the vicinity of the outlet.

4-2.2 Clearances.

4-2.2.1 Exterior.

4-2.2.1.1 Exterior metal chimneys used only for residential-type or low heat appliances as defined in Table 1-2(a) shall have a clearance of not less than 6 in. (152.4 mm) from a wall of wood frame construction and

from any combustible material.

4-2.2.1.2. Exterior metal chimneys over 18 in. (457mm) in diameter shall have a clearance of not less than 4 in. (102mm) from a building wall of other than wood frame construction.

4-2.2.1.3. Exterior metal chimneys 18 in. (457mm) or less in diameter shall have a clearance of not less than 2 in. (51mm) from a building wall of other than wood frame construction.

4-2.2.1.4. A metal chimney erected on the exterior of a building shall not be installed nearer than 24 in. (610mm) to any door or window or to any walkway.

Exception: The distance may be less than 24 in. (610mm) when the chimney is insulated in an approved manner to avoid danger of burns to persons.

4-2.2.2 Interior.

4-2.2.2.1 Where a metal chimney extends through any story of a building above that in which the appliances connected to the chimney are installed, it shall be enclosed in such upper stories, within a continuous enclosure constructed of noncombustible materials (see Section 1-3). The enclosure shall comply with the following:

(a) The enclosure shall extend from the ceiling of the appliance room to or through the roof so as to maintain the integrity of the fire separations required by the applicable building code provisions.
(b) The enclosure walls shall have a fire resistance rating of not less than 1 hr. if the building is less than 4 stories in height.
(c) Enclosure walls shall have a fire resistance rating of not less than 2 hrs. if the building is 4 stories or more in height.
(d) The enclosure shall provide a space on all sides of the chimney sufficient to permit inspection and repair but in no case shall it be less than 12 in. (305mm).
(e) The enclosing walls shall be without openings.

Exception: Doorways equipped with approved self-closing fire doors may be installed at various floor levels for inspection purposes.

4-2.2.2.2 Where a metal chimney serving only residential-type or low heat appliances as defined in Table 1-2(a) is located in the same story of a building as that in which the appliances connected thereto are located, it shall have a clearance of not less than 18 in. (457mm) from a wall of wood frame construction and from any combustible material.

4-2.2.2.3 Interior metal chimneys over 18 in. (457mm) in diameter shall have a clearance of not less than 4 in. (102mm) from a building wall of other than wood frame construction.

4-2.2.2.4 Interior metal chimneys 18 in. (457mm) or less in diameter shall have a clearance of not less than 2 in. (51mm) from a building wall of other than wood frame construction.

4-2.2.2.5 Where a metal chimney serving only residential-type or low heat appliances as defined in Table 1-2(a) passes through a roof constructed of combustible material, it shall be guarded by a ventilating thimble of galvanized steel or approved corrosion resistant metal, extending not less than 9 in. (229mm) below and 9 in. (229mm) above the roof construction, and of a size to provide not less than 6in. (152mm) clearance on all sides of the chimney.

Exception: In lieu of the above requirement, the combustible material in the roof construction may be cut away so as to provide not less than 18 in. (457mm) clearance on all sides of the chimney, with any material used to close up such opening entirely noncombustible.

4-3 Metal Chimneys for Medium Heat Appliances.

4-3.1 Construction. Metal chimneys serving medium heat appliances as defined in table 1-2(a) shall be lined with mediu -duty fire brick (ASTM C64, Type F) or the equivalent laid in fireclay mortar (ASTM C105, medium duty), or the equivalent.

4-31.1 The lining shall be at least 2½ in. (64mm) thick for chimneys having a diameter or greatest cross-section dimension of 18 in. (457mm) or less.

4-3.1.2 The lining shall have a thickness of not less than 4½ in. (114mm) laid on a full width bed for chimneys having a diameter or greater cross-section dimension greater than 18 in. (457mm).

4-3.1.3 The lining shall start 2 ft. (.61mm) or more below the lowest chimney connector entrance and shall extend to a height of at least 25 ft. (7.6 m) above the highest chimney connector entrance. Chimneys terminating 25 ft. (7.6m) or less above a chimney connector entrance shall be lined to the top.

4-3.2 Termination (Height). Metal chimneys for medium heat appliances shall extend not less than 10 ft. (3.1m) higher than any portion of any building within 25 ft. (7.6m).

4-3.3 Clearances.

4-3.3.1 Exterior.

4.3.3.1.1. Exterior metal chimneys used for medium heat appliances as defined in Table 1-2(a) shall have a clearance of not less than 24 in. (610mm) from a wall of wood frame construction and from any combustible material.

4-3.3.1.2 Exterior metal chimneys over 18 in. (457mm) in diameter shall have a clearance of not less than 4 in. (102mm) from a building wall of other than wood frame construction.

4-3.3.1.3 Exterior metal chimneys 18 in. (457mm) or less in diameter shall have a clearance of not less than 2 in. (51mm) from a building wall of other than wood frame construction.

4-3.2.1.4 A metal chimney erected on the exterior of a building shall not be installed nearer than 24 in. (610mm) to any door or window or to any walkway.

Exception: The distance may be less than 24 in. (610mm) when the chimney is insulated or shielded in an approved manner to avoid danger of burns to persons.

4-3.3.2 Interior.

4-3.3.2.1. Where a metal chimney extends through any story of a building above that in which the appliances connected to the chimney are installed, it shall be enclosed in such upper stories, within a continuous enclosure constructed of noncombustible materials (see Section 1-3). The enclosure shall comply with the following:

(a) The enclosure shall extend from the ceiling of the appliance room to or through the roof so as to maintain the integrity of the fire separations required by the applicable building code provisions.
(b) The enclosure walls shall have a fire resistance rating of not less than 1 hr. if the building is less than 4 stories in height.
(c) The enclosure walls shall have a fire resistance rating of not less than 2 hrs. if the building is 4 stories or more in height.
(d) The enclosing walls shall provide a space on all sides of the chimney to permit inspection and repair, but in no case shall it be less than 12 in. (305mm).
(e) The enclosing walls shall be without openings.

Exception: Doorways equipped with unproved self-closing 1½ hr. fire doors may be installed at various floor levels for inspection purposes.

4-3.3.2.2 Where a metal chimney serving a medium heat appliance as defined in Table 1-2(a) passes through a roof constructed of combustible material, it shall be guarded by a ventilating thimble of galvanized steel or approved corrosion resistant metal, extending not less than 9 (229mm) below and 9 in. (229mm) above the roof construction, and of a s. to provide not less than 18 in. (457mm) clearance on all sides of the chimney.

4-3.3.2.3. Where a metal chimney serving medium heat appliances as defined in Table 1-2(a) is located in the same story of a building as that in which the appliances connected are located, it shall have a clearance of not less than 36 in. (914mm) from a wall of wood frame construction and from any combustible material.

4-3.3.2.4. Interior metal chimneys over 18 in. (457mm) in diameter shall have a clearance of not less than 4 in. (102mm) from a building wall of other than wood frame construction.

4-3.3.2.5. Interior metal chimneys 18 in. (457mm) or less in diameter shall have a clearance of not less than 2 in. (51mm) from a building wall of other than wood frame construction.

4-4 Metal Chimneys for High Heat Appliances.

-4.1 Construction. Metal chimneys for high heat appliances as defined n Table 1-2(a) shall be lined with high-duty fire brick (ASTM C64, ype A) or the equivalent, not less than 4½ in. (114mm) thick laid on a ull width bed in refractory mortar (ASTM C105, high duty) or the quivalent.

-4.1.1 The lining shall start 2 ft. (.61m) or more below the lowest himney connector entrance and shall extend to a height of at least 25 ft. 7.6m) above the highest chimney connector entrance. Chimneys terminating 5ft. (7.6m) or less above a chimney connector entrance shall be lined) the top.

-4.2 Termination (Height). Metal chimneys for high heat appliances hall extend not less than 20ft. (6.1m) higher than any portion of any uilding within 50 ft. (15.3m).

-4.3 Clearance from Combustible Material. Metal chimneys for high eat appliances shall have sufficient clearance from buildings and tructures to avoid heating combustible material to a temperature in cess of 90 degrees F (50 degrees C) rise above ambient and to permit ispection and maintenance operations on the chimney. They shall be ocated or shielded to avoid danger of burns to persons.

u are hereby notified to meet at the American Legion Hall in said nsington on Thursday, the sixteenth day of March, next at 7:30 pm act upon article 3 and subsequent articles:

To raise such sums of money as may be necessary to defray town arges for the ensuing year and make appropriations of the same. lectmen's estimate of expenditures for the ensuing year is $430,513.00.

To see if the town wishes to allow a discount on taxes paid within to 30 days after presentation of tax bill.

To see if the town will grant the selectmen authority to borrow money anticipation of taxes.

By petition of Nora Tuthill and others: To see if the town will te to instruct the town's representatives to the General Court to spond to our solid waste crisis by taking all necessary measures to sure that NH adopt legislation that will permit consumers to return r refund of deposit within NH all soda, beer, wine cooler and liquor ntainers and that all unclaimed deposit monies shall be collected by e state and no less than 80% shall be returned annually to local nicipalities for the sole purpose of implementing, expanding and imbursing community recycling projects.

By petition of Joan Skewes and others: To see if the town will vote appropriate 5% of the use change tax to be deposited into the nservation Commission fund as provided for in Senate Bill 309.

8. By petition of Peter C. Brucato and others: To see if the town will vote to raise and appropriate the sum of $2,391.12 to the Exeter Area Visiting Nurse Association for providing continued health care service to residents of the town.

9. By petition of Anya Greer and others: To see if the town will vote to raise and appropriate the sum of $405.00 to the Women's Resource Center, a non-profit organization, to assist in funding the Rape Crisis Intervention Program.

10. By petition of Alicia M. Sargent and others: To see if the town will raise and appropriate the sum of $846.00 to the Greater Raymond Community Action Center, part of the Rockingham County Community Action Program, Inc., a private non-profit agency. This amount represents 3.5% of $24,161.00, the value of services rendered to Kensington residents from July 1, 1987 through June 30, 1988.

11. By petition of Nancy Roffman and others: To see if the town will vote to raise and appropriate the sum of $1,800.00 to assist Rockingham Counseling Center, a private non-profit organization.

12. By petition of Gordon E. Heal and others: To see if the town will vote to allow the town's public safety officials and agencies to participate in emergency response planning, evacuation drills, and exercises, graded and ungraded.

13. By petition of Sandra F. Mitchell and others: To see if the town will vote to require that the town offi ials and agenci:s not participate in any emergency planning activities for the Seabrook Nuclear Power Plant outside of the Nuclear Regulatory Commission Atomic Safety and Licensing Board Offsite Emergency Planning Hearings.

14. By petition of Edward J. Ruggeri and others: To see if the town will vote to raise and appropriate the sum of $500.00 to the Seacoast Mental Health Center. This figure represents 7% of $7,088.75, the value of services rendered to 26 Kensington residents.

15. By petition of James R. Rosencrantz and others: To see if the voters of the town will vote to eliminate the position of Administrative Assistant. Kensington is growing to be sure but the position has not shown to Kensington the cost worth the results.

16. By petition of Johanna Rice and others: To see if the town will vote to raise and appropriate the sum of $820.00 to assist Seacoast Hospice, a non-profit organization.

17. To transact any other business that may legally come before the Town Meeting.

Susan Maire, Robert Sargent, Joseph Ripel
Selectmen of Kensington

A True Copy of Warrant - Attest:

Susan Maire, Robert Sargent, Joseph Ripel
Selectmen of Kensington

RECORD OF THE MARCH 1988 TOWN MEETING
KENSINGTON, NEW HAMPSHIRE

TOWN WARRANT
THE STATE OF NEW HAMPSHIRE

The Polls will be open from 10:00 a.m. to 7:30 p.m.

To the inhabitants of the Town of Kensington in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Kensington on Tuesday, the eighth day of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:

The polls were open at 10:00 a.m. and the moderator stated the absentee ballots would be counted at 7:30 p.m.

ARTICLE 1. To choose all necessary Town Officers for the year ensuing.

SELECTMAN (3 yrs.)

Robert Sargent	230
Rafe Blood	2
Charles Eastman	2

SELECTMAN (2 yrs.)

Susan S. Maire	188

TAX COLLECTOR (1 yr.)

Carlene Wiggin	257

TOWN CLERK (1 yr.)

Linda Buxton	263

TREASURER (1yr.)

Leslie H. Carter	227
Leslie Briggs	3
E. Emmons Sanborn	2

MODERATOR (2 yrs.)

Stephen C. Smith	229
John W. York	2

ROAD AGENT (1 yr.)

Carl F. Kenerson	113
Russell P. Merrill, III	137

AUDITORS (1 yr.)

Joan Kaler	7
Leslie Briggs	6
Don Phillips	3
Dennis Roffman	2

SUPERVISOR OF CHECKLIST (6 yrs.)

E. Emmons Sanborn	249

CEMETERY TRUSTEE (3 yrs.)

John W. York	253
Ray Bisbee	2

LIBRARY TRUSTEE (3 yrs.)

Carolyn Balfe	215

TRUSTEE OF TRUST FUNDS (3 yrs.)

Joe Ripel	4

Ballot Question 1. Are you in favor of adopting provisions of RSA 231:62 which authorizes the Board of Selectmen to appoint a highway agent?

Yes 125 No 128

Ballot Question 2. Are you in favor of amending Article 3.1 of the Bui Codes of Kensington to raise building fees from $2.00 to$2.50 per thous dollars in construction valuation?
Article 3.1 Building Permits. Any person, persons, partnership or corp oration intending to construct a new building, move an existing buildin or to make structural alterations to existing buildings, said alteratio to exceed $500, or to locate a mobile home in Kensington shall first ma an application for a permit on forms obtained from the building inspect or selectmen. A permit fee of Two Dollars and fifty cents per One thou dollars construction valuation will be charged with a minimum of $10.00 This ordinance change has the approval of the Planning Board.

Yes 156 No 87

You are hereby notified to meet at the American Legion Hall in said Kensington on Thursday, the tenth day of March, next at 7:30 p.m. to act upon Article 4 and subsequent Articles.

The meeting was called to order by Moderator, John W. York, at 7:30 p.m. Arthur Wiggin, Sr. directed the meeting in the flag salute. Rev. David Lennox offered a town meeting prayer. The moderator asked if there were objections to non-residents speaking to articles. No objections were voice

Doris Swift informed the meeting of the Lucy Blodgett Gift Fund that has been established by some of Lucy's friends. There is enough money now to buy Lucy a colored television with remote control and a VCR. She is at the Exeter Healthcare and any contributions to the fund are welcome.

Stephen Smith, the newly elected moderator, was intruduced. Between Steve and John, the town meeting was conducted.

John York stated that only registered voters and town residents could vote at this meeting. John York also stated that Charles Eastman has just retur home from the hospital with double pneumonia and confined to his home. He would probably appreciate a card from anyone who would take the time to sen one.

ARTICLE 4. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same. Selectme estimate of expenditures for the ensuing year is $391,921.

Motion was made to adopt the article by Mike Balfe, seconded by Sandra Gavu At this time Mike Balfe, chairman of the Board of Selectmen,wanted to introduce townspeople and officials past and present who have contributed their time to the town. They included: new board member, Susan Maire; new boar member, Robert Sargent; Sandra Gavutis, administrative assistant; Betty Willoughby, town secretary; Linda Buxton, Town Clerk; Carlene Wiggin, tax collector; Harold Bragg, planning board chairman; Russell Merrill, newly el road agent; Don Grover, immediate past member of the board of selectmen; Steve Smith, newly elected town moderator; and John York, serving his last town meeting as moderator after over 50 years and 30 years in the past as selectman.

Balfe stated there was a typographical error in the town report. The e Budget was incorrectly printed as $86,200 in the budget. The correct e should read $82,600 so Mike made a motion to amend the article to read 321. Seconded by Susan Maire. After some discussion the motion was d and a voice vote to amend the article from $391,921 to $388,321 carried. e now back to the original article, selectmen's estimate of expenditures 88,321. After some discussion an amendment was made and seconded by aler to amend the budget to restore the police budget to $86,200. The vote was in the affirmative. Now we are back to the original budget of 921. The voice vote was in the affirmative.

LE 5. To see if the Town wishes to allow a discount on taxes paid n 0 to 60 days after presentation of tax bill. Motion was made to the article, seconded by several. The voice vote was in the affirmative.

.E 6. To vote on the basis of payment and the amount thereof to be to the Tax Collector for the collection of taxes.

Balfe made the motion that the tax collector be paid $7000 for 1988. represented a $500 increase over last year. There will be more work ved and this is still close to the 1½% of taxes collected as paid in ast. The motion was seconded by Sandra Gavutis. After little discus- the voice vote was in the affirmative to pay the tax collector $7000

.E 7. To see if the Town will grant the selectmen authority to borrow in anticipation of taxes.

Balfe made a motion that the town grant the selectmen to borrow one million dollars in anticipation of taxes, seconded by Dr. Singer. Mike l this would be the first time for twice a year tax billing and it is possible we will not need to borrow. In order to avoid any risk of wn running out of money, Mike thought we should have the authority to up to one half million dollars. Voice vote was in the affirmative.

E 8. To see if the Town will vote to adopt the provisions of RSA whereby the Town shall indemnify and save harmless for loss or s occurring hereafter any person employed by it and any member or r of its governing board, administrative staff or agencies including t limited to Selectmen and all other officers, officials, and members other boards, commissions and advisory bodies created or existing nt to statute, charter or general law authority from personal fin- loss or expense, including all reasonable legal fees and costs, g out of any claim, demand, suit or judgment by reason of negligence er act resulting in accidental injury to a person or accidental damage destruction of property if the indemnified person at the time of the nt resulting in the injury, damage or destruction was acting in the of his employment or office.

alfe made a motion to adopt the article, seconded by Sandra Gavutis. alfe gave a brief explanation stating that it was recommended by the mpshire Municipal Association. After quite some discussion and further ations by Susan Maire, the voice vote was in the affirmative.

ARTICLE 9. To see if the Town will vote to exchange certain real estate owned by the Town, and being the former Town Dump property, for certain real estate owned by Alan Lewis, and to authorize the Selectmen to negotiat the terms and conditions of such exchange and to execute an appropriate dee and any other documents in connection therewith.

Motion was made by Mike Balfe to adopt the article, seconded by Marcia York Mike Balfe explained that this piece of property is on Trundle Bed Lane almost opposite the town park. The selectmen feel this exchange is in the best interest to the town. It contains 4 acres and valued at $60,000. Voice vote was in the affirmative.

ARTICLE 10. By petition of Sandra Gavutis and others: "Shall we adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure? These statutes provide that tax sales to private individuals for non-payment of property taxes on real estate are replaced with a real estate lien procedur under which only a municipality or county where the property is located or the state may acquire a tax lien against land and buildings for unpaid taxe

The moderator stated that both articles 10 and 11 have to be voted on a paper ballot. We will discuss both articles and then vote on both. Motion was made by John York to adopt article ten, seconded by Mr. Thomas. Sandra Gavutis stated the purpose of this article is to eliminate the outside purchaser from coming in and buying delinquent taxes. It leaves it up to the town to hold a lien which is far better for the tax payers. With outside buyers, delinquent tax payers may lose their property.

Results of balloting is as follows: Yes 156 No 10

ARTICLE 11. Shall the Town accept the provisions of RSA 53-B:1 to 11 inclusive providing for the establishment of a regional refuse disposal district together with the towns of Brentwood, Danville, East Kingston, Exeter, Fremont, Hampton, Hampton Falls, New Castle, Newton, North Hampton, Rye, Sandown, and South Hampton, and the city of Portsmouth, and the constructio maintenance, and operation of a regional refuse disposal facility by said district in accordance with the provisions of a proposed agreement filed with the selectmen?

Paul Steeves made a motion to adopt the article, seconded by Mr. Felch. Paul went into quite a lenghty explanation of this article.

Results of balloting is as follows: Yes 128 No 34

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of $10,285 for the payment of the town's share of the budget of the Southeast Regional Refuse Disposal District for the fiscal year of said district ending March 31, 1989; to authorize the Treasurer to pay the appropriated amount to said district in four installments commencing on April 1 and continuing on or before the first day of each successive calendar quarter; and to take action relative thereto.

ıl Steeves made a motion to adopt the article, seconded by several. Paul eeves made a motion to amend the article. The word,district, should be anged to "planning board" until all the towns in the district have had a ance to vote. It was seconded by several. The voice vote on the amendment s in the affirmative. The voice vote on the amended article was in the firmative.

TICLE 13. To see if the Town will raise and appropriate the sum of $17,000 r the lease purchase for one year of a pumper tanker fire truck. (This presents the third year of a series of seven one year contracts).

tion was made by Hubert Schweizer to adopt the article, seconded by Dr. nger. There was no discussion. The voice vote was in the affirmative.

TICLE 14. To see if the Town will raise and appropriate the sum of $5,000 r the purchase of a sander for the highway department.

tion was made by Russ Merrill to table article 14, seconded by several. ss Merrill stated a sander is not needed for the highway department. The ce vote was in the affirmative to table this article.

TICLE 15. To see if the Town will vote to raise and appropriate the sum $5,000 for the construction of a cemetery vault.

ty Willoughby made a motion to adopt the article, seconded by Marcia York. ty Willoughby spoke to the article followed by very little discussion. voice vote was in the affirmative.

TICLE 16. To see if the Town will vote to add to the existing Capital erve Fund for the aquisition of highway equipment and to raise and appro- ate the sum of $10,000 to be transferred to such capital reserve.

ion was made by Mike Balfe to adopt the article, seconded by Dr. Singer. er little discussion, the voice vote was in the affirmative.

TICLE 17. To see if the Town will vote to add to the existing Capital erve Fund for upgrade of town roads and to raise and appropriate the sum $30,000 to be transferred to such capital reserve.

ion was made by Mike Balfe and seconded by several to adopt this article. e Balfe spoke to the article and the voice vote was in the affirmative.

TICLE 18. To see if the Town will vote to add to the existing Capital erve Fund for the aquisition of land/buildings for future town use and raise and appropriate the sum of $10,000 to be transferred to such capital erve.

ion was made by Mike Balfe to adopt the article, seconded by Susan Maire. e Balfe spoke to the article and the voice vote was in the affirmative.

TICLE 19. To see if the Town will vote to raise and appropriate a sum of 000 for the purpose of conducting an engineering assessment study to ermine the condition of the Town roads so that maintenance may be eduled.

Mary Thomas moved to adopt the article, seconded by several. Mary Thomas spoke to the importance of this article with 23 miles of town roads. After some discussion John York made a motion to table the article, seconded by several. Hand vote to table the article was definitely in the affirmative. Hand count was not necessary.

ARTICLE 20. By petition of Judith Pease and others: "To see if the Town will vote to raise and appropriate the sum of $9,000 to the conservation fu to be used for the purpose of researching the deed and completing a boundar survey of the parcel of land donated to the town by Charles Hodges.
Judith Pease moved to adopt the article, seconded by several.
Judith Pease spoke to the article informing townspeople this land is on Stumpfield Road by Mr. Hodges home consisting of 160 acres. Harry Bodwell stated it would be nice if, when the time comes,the townspeople donate fund for granite boundary markers. The voice vote to adopt this article was in the affirmative.

ARTICLE 21. By petition of David Heasley and others: "We the undersigned do hereby petition the Board of Selectmen to insert a warrant article to the Town Meeting of 1988 to request the Town to take action on the removal of gates and bars on Austin Road. It is our understanding that since the road was closed subject to gates and bars by action of the townspeople, we feel any action to open Austin Road should also be voted by the townspeople."

Motion was made to table the article, seconded by Bob Wadleigh. Voice vote to table was in the affirmative. Vote to reconsider the article was defeated.

ARTICLE 22. To vote on the following: "Authorization is given to the Board of Selectmen to grant franchises for the installation and operation of a cable television system within the Town. Said authorization to encompass the setting of such conditions as the Board deems necessary and appropriate. Said conditions shall not be inconsistent with New Hampshire RSA 53-C and the Rules and Regulations of the Federal Communications Commission."

Gary Easson made a motion to adopt the article, seconded by Mike Balfe. Voice vote was in the affirmative.

ARTICLE 23. By petition of Harold Bragg and others: "To see if the Town will close and abandon Beaver Dam Road from the point at which the road was previously closed and abandoned at or near the site of the former Kensington Town Dump, and running to the point at which Harvey Gough's southerly property line intersects the sideline of Beaver Dam Road, marked by an iron pipe at the intersection of Beaver Dam Road with Muddy Pond Road.

Harold Bragg moved to adopt the article, seconded by several. Harold Bragg spoke to the article. John Sargent made a motion to table the article, seconded by John Sargent, Jr. Voice vote to table the article was defeated. Voice vote on the article was in the affirmative.

TICLE 24. To see if the Town will vote the following: "No person, roup, firm or corporation shall, between the hours of 10:00 p.m. and 00 a.m., make or cause to make any noise that will create a public isance.
blic works and public safety equipment required for effective delivery public services shall be exempt from the provisions of this section.
e term "Unnecessary Noise" shall be defined for all practical purses as such:
y unreasonable volume of sound which may be heard in continuance from e immediate or surrounding area with no indication of relief. Upon volvement of the Kensington Police Department, the responding police ficer will have reserved the right to use (his or her) discretion and fine the word unreasonable. Upon (his or her) assessment, a verbal d or written warning may be issued to remedy the complaint. Failure comply with the police officers reasonable alternatives will conitute a violation.
lidity - if any section or part of a section or paragraph of this ticle is declared invalid or unconstitutional, it shall not be held invalidate or impair the validity, force or effect of any other seccon or sections or a part of a section or paragraph of this article.

motion was made by Harry Bodwell to table the article, seconded by veral. Voice vote to table was defeated. A motion was made and conded by several to accept the article. Mike Aquilina spoke to the ticle. After some discussion a hand vote was taken and the vote was the affirmative.

TICLE 25. By petition of John Clarke and others: "We the undersigned spectfully petition the Town of Kensington at the regular Town Meeting authorize the Selectmen of the Town of Kensington to accept Gaslight ne as a town road."

tion was made by John Clarke to adopt the article, seconded by Dr. nger. After little discussion the voice vote was in the affirmative.

TICLE 26. By petition of Sandra F. Mitchell and others: "To see if the n will vote to change the title of Civil Defense to Emergency Management."

ndra Mitchell made a motion to adopt the article, seconded by Nora Tuthill. ndra Mitchell spoke to the article stating that by changing the name, it ld be consistent with the changes made on the state and federal level. y Easson made a motion to table the article, seconded by several. Voice e to table was defeated. Voice vote on article 26 was in the affirmative.

TICLE 27. By petition of David B. Berry and others: "We the undersigned, ng registered and legal voters in the Town of Kensington, hereby petin the Kensington Board of Selectmen to place the following article on Kensington Town Warrant for the Annual Town Meeting to be held in March 8 pursuant to the provisions of New Hampshire RSA 39:3: To see if the n of Kensington will vote to accept Towle Hill Road as a public street."

Motion was made by David Berry to adopt the article, seconded by Eugene Boudreault. Atty. Tucker informed the residents that it was improperly written. It is not legal for townspeople to vote to open a road. The Town can vote to close a road but only the selectmen can open a road. To enable townspeople to act upon the article, an amendment would have to be made to recommend to the selectmen to accept it as a public right of way. David Berry made a motion to amend the article to recommend the selectmen to accept Towle Hill Road as a public way, seconded by several. There was some discussion. A motion was made and seconded by several to table the amendment and the voice vote was in the affirmative to table the amendment. Motion was made by Jesse York to table the article and it was seconded by Marcia York. Voice vote to table the article was in the affirmative.

ARTICLE 28. By petition of Christine M. St.Jean and others: "To see if the Town will vote to require that the Town, its officials and agencies, not participate in any graded or ungraded emergency evacuation drills or exercises until a radiological emergency evacuation response plan has been approved by majority vote at Town Meeting after public hearing by the Board of Selectmen."

Motion was made by Chris St.Jean to adopt the article, seconded by Dennis Roffman. Mrs. St. Jean spoke to the article. Sandra Mitchell stated this would allow us to continue litigations which they are in the middle of now so our problems will be heard. Motion was made and seconded by several to table the article. Voice vote to table the article was in the affirmative.

ARTICLE 29. To see if the Town will vote to raise and appropriate the sum of $929 for the Rockingham Planning Commission.

Motion was made to adopt the article and seconded by several. There was no discussion on the article and the voice vote was in the affirmative.

ARTICLE 30. By petition of Ann A. Smith and others: "This petition is signed by registered voters from the Town of Kensington who are in approval of the Town appropriating the sum of $264 to the Women's Resource Center, a private non-profit organization, to assist in funding the Rape Crisis Intervention Program. Our agency trains police on sex ual abuse issues and helps sexual abuse survivors in your town."

Mrs. St.Jean moved to adopt the article, seconded by Nora Tuthill. Nan Nutt spoke to the article and the voice vote was in the affirmative.

ARTICLE 31. By petition of Rita Podalsky and others: "We the undersigned voters, petition the Town of Kensington to appropriate the sum of $714 to the Greater Raymond Community Action Center, part of the Rockingham County Community Action Program, Inc., a private non-profit, anti-poverty agency. This amount represents 3.5% of $20,413, the value of services rendered residents of Kensington from Sept. 1, 1986 through Aug. 31, 1987."

Alicia Sargent moved to adopt the article and seconded by several. Alicia Sargent spoke to the article and pointed out an explanation of the article was on page 61 of the town report. The voice vote was in the affirmative.

CLE 32. By petition of Joanne Cole and others: "To see if the Town of
:ington will vote to raise and appropriate the sum of $300 for the pur-
: of defraying the cost of services provided to the Town of Kensington
its residents by Seacoast Big Brother/Big Sister of New Hampshire."

.on was made by John York and seconded by several to adopt the article.
:e was no discussion and the voice vote was in the affirmative.

CLE 33. By petition of Ben Lovell and others: "To see if the Town
vote to raise and appropriate the sum of $2149.74 to the Exeter Area
ting Nurse Association for providing continued health care service to
dents of the town.

e York made a motion to adopt the article seconded by several. Voice
was in the affirmative.

CLE 34. By petition of Margaret Ruggeri and others: "We the under-
ed Kensington voters, request that the Town of Kensington raise and
opriate $500 for the support of the Seacoast Mental Health Center."

on was made by Margaret Ruggeri to adopt the article and seconded by
Singer. Margaret stated that the explanation of this article is on
66 of the town report. Voice vote was in the affirmative.

CLE 35. By petition of Nancy Roffman and others: "Because the Media-
Program has proven to be of real value to the communities served by
Exeter District Court in dealing with troubled juvenile situations, we
undersigned voters do hereby petition the Selectmen of Kensington to
rt the following warrant article: To see if the Town will vote to
e and appropriate the sum of $600 for the continuation of the Mediation
ram.

y Roffman made a motion to adopt the article, seconded by several.
y stated that the explanation of the article was on page 66 of the town
rt. The voice vote was in the affirmative.

CLE 36. By petition of Hubert H. Schweizer, Jr. and others: "The
rsigned hereby petition the Town of Kensington to vote to appropriate
sum of $13,905 to purchase new N.F.P.A. approved turnout gear (bunker
s and pants) for the Kensington Volunteer Fire Department members."

tion was made by Hubert Schweizer to adopt the article, seconded by
ed Felch. Hubert spoke to the article and showed the townspeople the
outfit. Jim Rosencrantz stated that by buying this new gear, that
d be a thank you for the years of good service the volunteer fire
rtment has offered us. The voice vote was in the affirmative.

CLE 37. By petition of Nancy Roffman and others: "To see if the Town
vote to raise and appropriate the sum of $1,800 to assist Rockingham
d and Family Services, a private, non-profit organization.

y Roffman made a motion to adopt the article, seconded by Dennis
man. Motion was made by Dr. Singer and seconded by Dennis Roffman to
ge the name to Rockingham Counceling Center in this article as that is
official name now. Voice vote on the amendment was in the affirmative.
e vote on the amended article was in the affirmative.

ARTICLE 38. To transact any other business that may legally come before the meeting.

Paul Steeves stated that there was a mosquito control commission in the town and would they please do something to see if the town could be spra for mosquitoes during the summer. Seth Perry stated that he and George Gavutis are the two members on the commission and they are opposed to spraying for mosquitoes. If you want that done, you better appoint some else to the commission.

Jim Rosencrantz made a motion to have article 28 brought back. Motion w made to table that motion and it was seconded by several. To bring article 28 back was defeated.

John York was thanked for his many years of town services as moderator a selectman. Motion was made to close the meeting and seconded by several Meeting closed at 11:15 p.m.

Respectfully submitted,
Town Clerk

RECORD OF THE SPECIAL TOWN MEETING

July 19, 1988

The Polls will open from 12:00 noon to 8:00 pm.

To the inhabitants of the Town of Kensington, New Hampshire in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Kensington Town Hall in said Kensington on Tuesday, July nineteenth at 12:00 noon to act upon the following subjects:

ARTICLE 1:

...ning Board Article "Are you in favor of the addition to the existing or-
...nances as proposed by the Planning Board?"

0 — Green Belt Zone

...neral

Purpose — The purpose of the ordinance is to encourage efficient use of the land and to preserve natural features and open spaces.

Authority — This section is enacted in accordance with the provisions of RSA 674 21.

Objectives — The objectives of this section are to

1. Permanently preserve natural topography and wooded areas, the natural beauty of existing rural roads and open land, and to provide usable open space and conservation land.
2. Encourage flexibility and creativity in the design of developments through a carefully controlled process of negotiation of particular plans rather than the strict pre-regulation of all plans within a zone.
3. Encourage more efficient use of land with a shorter network of roads, better quality site planning and a higher level of environmental stability by avoiding areas with poor soil conditions, high water tables, flood prone areas, excessively steep slopes and valuable natural land.
4. Provide a variety of housing opportunities for a wide range of ages and financial requirements.

Affordable housing is introduced in these Green Belt Zoning Provisions in order to establish that the Town of Kensington intends to fully develop a Growth Management Plan and a Housing Authority in the near future to govern the provisions of Affordable Housing.

...nitions

Affordable Housing Determination of affordable housing will be based on applicable State standards and requirements.

Green Belt Zoning A purely residential development and/or subdivision of a tract of land, where a number of housing units may be grouped on sites and/or lots with dimensions, frontages and setbacks differing from subdivision requirements. The dwelling unit density of the tract as a whole is comparable to that density achieved by conventional rules. The remaining tract in the tract, not built upon, is reserved for common area and/or open space.

Mandatory Home Owners Association A private, non-profit corporation, association or other non-profit legal entity established by the developer for the benefit and enjoyment of the residents of the Green Belt Development. Membership in said association shall be mandatory for property owners and made a required covenant in any deed issued or passed. It shall provide voting and use rights in the common area and/or open space when applicable and may charge dues to cover expenses, which may include tax liabilities of the common area, recreational, or utility facilities. Articles of Association or Incorporation must be acceptable to the Planning Board of the Town of Kensington and to Town Counsel and any other municipal, county, state agency, body, commission or department required by law to approve the same.

Open Space Land unbuilt upon, which must be permanently kept in that condition. The open space is designed for the benefit and enjoyment of the residents of the Green Belt Development.

III Procedures

A. All requirements of the Land Use Ordinances and Planning Board Regulations for the Town of Kensington and the Health Regulations for the Town of Kensington apply to this section.

B. Prior to final approval, the Planning Board shall ascertain that adequate provisions have been made by the Applicant for the following items and may request appropriate impact studies paid for by the Applicant.

1. Traffic circulation and access including adequacy of adjacent streets, entrances and exits, traffic flow, sight distances, curb cuts, turning lanes, and existing or recommended traffic signalization.
2. Pedestrian safety and access.
3. Off-street parking and loading.
4. Emergency vehicle access.
5. Fire protection as it applies to the proximity of buildings to one another and to the existence of firefighting water sources.
6. Storm water drainage based upon a minimum of a twenty-five (25) year storm frequency, utilizing on-site absorption and/or temporary detention.
7. Snow storage and trash disposal areas.
8. Recreational facilities.
9. Adequate water and sewage provisions designed by a sanitary engineer in New Hampshire and approved by the New Hampshire Water Supply and Pollution Control Commission.
10. Environmental factors such as protection against pollution, noise, odor, and the protection of natural features.
11. Landscaping in keeping with the general character of the surrounding areas.
12. Signing and exterior lighting.
13. And any other items specific to the proposed development.

IV Requirements

A. After notice and public hearing, the Planning Board may grant a Special Permit for residential land using the Green Belt Zoning Provisions provided that

1. General — it finds the proposed plan to be in harmony with the purpose and objectives of this provision.
   a. The proposed plan is and approved pursuant to Town of Kensington Subdivision Regulations procedures.
2. Tract — The tract of land to be utilized for a Green Belt development must be at least 10 contiguous acres. The minimum tract size shall not contain any portion of land with more than a 25% slope.
3. Lots — The area of all building lots shall be at least 70% of the required lot size required through conventional zoning, i.e. 0.7 acres in a 1 acre district. Provisions of Article 7 (Planning and Zoning) and Article 4 163 (Subdivision Regulations) apply to the lots in this Section. Each lot shall be configured as to accommodate within a circle having a diameter of not less than 125 feet.

4 Frontage — The property also must have at least 200 feet of road frontage

5 Setbacks — Same as conventional zoning district requirements

6 Maximum Density — The maximum number of building lots shall be determined by the method indicated in Article 4.163 (Subdivision Regulations). There shall be no more than an aggregate of 3 bedrooms per unit

7 Green Belt Open Space — The Green Belt open space shall comprise at least 25% of the tract. The required area can include up to 25% of land in the Wetland Conservation District or 25% of land with steep slopes (> 25%). The open space must be contained in 2 parcels or less (required area only). The Green Belt open space shall be owned by an association of the lot owners in the development in a trust, corporation, or organization with a perpetual conservation restriction. Reasonable access and egress from the Green Belt open space shall be provided and shall have at least 75 feet of frontage

8 Use of Green Belt Open Space. — Such open land shall be restricted to open space recreational uses such as parks, playgrounds, playfields, golf courses, nature trails, passive recreation, conservation lands or agricultural use.

9. Use of Green Belt Open Space. — Open space, common areas, common facilities, private roadways, and other features within the development shall be protected by covenants running with the land and shall be conveyed by the property owners to a homeowners association, or if mutually agreed upon may be deeded to the town, so as to guarantee the following.

a The continued use of land for the intended purposes.

b. Continuity of proper maintenance for those portions of the development requiring maintenance

c The availability of funds required for such maintenance

d. Recovery for loss sustained as a result of casualty, condemnation or other solutions.

e Membership and obligations of residents of the development shall be outlined in covenants adopted by the homeowners association, tenancy-in-common, or similar form of ownership and are automatic upon conveyance of title or lease to single-dwelling units. Homeowners association, tenancy-in-common or similar form of ownership shall include lien provisions and shall be subject to approval by the New Hampshire Attorney General's Office. Such documents shall also be subject to review and approval of the Planning Board of the Town of Kensington

f. The developer and/or owner shall also provide for adequate maintenance of such areas set aside for conservation, park, or recreation. Such developer and/or owner shall provide for insertion in all deeds, in an approved form (which may be approved by the Planning Board and/or Town Counsel), any and all safeguards and conditions suitable to carry out the purposes of these regulations.

10 Buffer — Within 100 feet of an abutting property line or from an existing public right-of-way. Landscaped as a buffer area and shall be reviewed and approved by the Planning Board pursuant to Site Plan Review requirements.

11. Permitted Uses — Residential dwelling units, accessory buildings and incidental private recreational structures are permitted in this zone.

12 Proposed Roads — All proposed roads must meet the standards provided for conventional subdivisions (Article 4.10, Subdivision Regulations)

13 Water and Septic — The Applicant must provide adequate studies and testing for water and septic at each lot. These studies must be done in accordance with State Standards and the Town of Kensington Zoning Ordinance and Land Use and Health Regulation. If communal systems are proposed, details which document best available land based on high intensity soil information, slope, and water table considerations must be presented to the Planning Board for its review. After review the Planning Board may approve the proposed communal systems on the land or may require individual systems. If a communal system is approved, a passbook account must be established for its replacement. The Town of Kensington is at no time responsible for maintenance or repair of any water and septic system proposed and/or installed

Affordable Housing Provisions

A. The Planning Board will entertain proposals for Affordable Housing on a case by case basis with consideration given to varying lot sizes

B. Standards

1. Multifamily concepts will be considered provided at least 30% of the project is devoted to affordable housing and no more than 4 units per building are proposed with a minimum of 60 feet between buildings.

2 Determination of affordable housing will be based on State requirements.

3 This regulation is available to a Housing Authority established by the Town of Kensington.

Paper Ballot:

Yes 84 No 104

You are hereby notified to meet at the Kensington Town Hall in said Kensington on Tuesday, the nineteenth day of July at 8:00 pm to act upon Article 2 and subsequent articles.

article 2. To see if the town will vote to accept the provisions of RSA 231:62, which authorizes the Board of Selectmen to appoint the highway agent.

Mike Balfe made a motion to adopt the article, seconded by Susan Maire. Mike B alfe spoke to the article stating that for two years we have been putting money aside into the capital reserves. The following articles are monies to be taken from the capital reserves. Specifically concerning article 2, in March, that article was closely defeated. Because it was on the ballot there was no opportunity for discussion. The town feels we need a full-time highway agent. Two years ago at the first snowfall, the contractor said he was not going to plow our roads. Last year right after town elections, the road agent resigned. That left us with no road agent.

Jim Rosencrantz, Sr. stated he does not feel we are ready for a full-time road agent. With the tax structure in this town, Jim stated we can not afford this kind of operation. We are getting beyond our pocketbooks.

John York made a motion to table the article, seconded by Kevin Rosencrantz. Voice vote on the article to table was in the affirmative.

ARTICLE 3. To see if the town will vote to withdraw $30,000 from the capital reserve fund for upgrading of town roads for road maintenance, paving, etc.

Paul Steeves made a motion to adopt article, seconded by Stanley McKnight. Mike Balfe spoke to the article. At the town meeting 2 years ago $30,000 was in the capital reserve to be spent in 1987 on the roads. The money was not spent in 1987 and was carried over and has now been spent on Cottage Road. Because the money was not spent in 1986, we have fallen behind in what we wanted to do. We have appropriated $30,000 which is now sitting in capital reserve. So, now we would like to continue to fix other town roads. This has no impact in the tax bills as it has already been appropriated and is in capital reserve.

Stanley McKnight spoke to the article and would like to see work done on the roads that connect Rte. 107 and Rte. 150. Robert Wadleigh asked if this was going out to bid. Robert Sargent stated the town has called and contacted 4-5 different road crews. The work has gone out to bid keeping in mind the quality of work produced by different companies. (Midway, Brox and Iafolla were contacted). Donna Pikul asked if the bids were in writing. Robert Sargent said they were in writing. Fran DeFreitas wanted to know if we will be resurfacing or repairing the roads. Robert Sargent stated that we have looked at the roads that have bases under them and the ones that are travelled the most. Back when Bob started as road agent they went on a 3 year cycle with oil.

We went to a stone seal hoping for a 5 year cycle when oil prices esculated. Now we are hoping to get a 10 year life out of this. We are trying to do the roads we can get a 10 year life out of so we can hopefully eventually reconstruct some other roads. Carl Kenerson stated that about the one mile stretch on Cottage Road cost $30,000. We have to have money for hot top. Paul Steeves called for the question and it was seconded by several. The voice vote was in the affirmative.

ARTICLE 4. To see if the town will vote to withdraw $19,000 from the capital reserve fund for the acquisition of highway equipment for the purpose of purchasing a payloader. This would represent the down payment toward a lease purchase agreement.

Robert Sargent made a motion to adopt the article, seconded by Mike Balfe. Alan DeFreitas asked what the total cost of the lease purchase would be. Robert Sargent stated that they were looking at a general figure so that this $19,000 would cover it. $18,400 for a four year agreement would guarantee a machine is available for the first and last snow storm. John Sargent, Jr. asked what kind of a machine are we looking at. Robert Sargent stated that he got a price on a 530 Dresser, the quote was from Hazelton. Hazelton got us out of a bind two years ago. This is just a place to start. The town could buy the machine outright for $68,000 all set to go. If an individual was to buy it, it would cost over $100,000. Steve Silvestri asked in the past haven't we always used the machines the road agents have. Yes we have stated Mike Balfe but we have had to pay for it. Bill Wadleigh stated we have the same roads we have had for years. Robert Sargent stated when he was road agent we had 17 miles of roads and now we have 24-27 miles that we maintain. Bill Wadleigh said we are better off to just have a road agent. Before you know it we will have to have a loader, then a garage, then a mechanic and there will be no end to it. It is getting harder and harder, said Carl Kenerson, to make a commitment in this town to maintain roads. When we have a storm and people can not get out of their driveways onto a black top road, we hear about it. Fran DeFreitas wanted to know what else would we be using this piece of equipment for. Bob Sargent stated that there are several places in town where the loader can be used,on Bartlett Rd., Highland Rd., Muddy Pond Rd. Many shoulders in town can be upgraded by the payloader. Jim Rosencrantz stated that things don't add up right here. He referred to 1986 expenditures. Kevin Rosencrantz spoke against the article. He stated that a lot of contractors are hurting in the winter now and he can not believe you can't find anyone to plow the roads. You have to plan ahead and get someone contracted now for you to plow this winter. You can't wait til the last minute. James Kaler made a motion to table the article, seconded by several. The voice vote was in the affirmative to table the article.

ARTICLE 5. To see if the town will vote to withdraw $19,000 from the capital reserve fund for the acquisition of land/buildings to be used for the development of the site for a public works building. The building is to be erected on Town land on Trundle Bed Lane.

Susan Maire made a motion to adopt the article, seconded by Mike Balfe. Mike stated we are hoping to clear up the land on Trundle Bed Lane and possibly put in a driveway to be ready to put up a public works building at some future date. Yohn York stated he does not know why you are asking to set aside $19,000 for a building you have not been authorized to build yet. The selectmen don't care about what the townspeople think. How can you put up a b uilding you haven't been authorized to build yet and you don't know how much it is going to cost. You don't know what you are getting into. John made a motion to table the article seconded by several. Voice vote to table the article was in the affirmative.

ARTICLE 6. To transact any other business that may legally come before this meeting.

Moderator announced the results of zoning board article voted on earlier in the day: Yes 84 No 104. Article did not carry.

John Sargent, Sr. made a motion to adjourn the meeting, seconded by John Sargent, Jr.

Meeting was adjourned at 8:50 pm.

Respectfully submitted,

Linda C. Buxton

Linda C.Buxton
Town Clerk

SELECTMEN'S REPORT

The Selectmen have had a busy and challenging year in 1988.

Sandra Gavutis' resignation was filled by Susan Maire. Robert Sargent also joined the Board in Don Grover's stead. In September, Chairman, Michael Balfe resigned to attend law school. Joseph Ripel was appointed to fill his unexpired term.

The growth of the Town slowed down slightly. Several large subdivisions were not carried to completion. However, several miles of road in the Town were able to be improved.

An aspect of concern to the Selectmen was the level of general compliance with the Town's zoning ordinances, particularly with respect to multi-family dwellings, commercial activities and health hazards. The Selectmen have tried to approach these problems even-handedly and in the spirit of the zoning ordinances.

The safety hazards associated with gravel pits was also addressed by the Selectmen, in part in conjunction with Seabrook and South Hampton. Some progress has been made but much is left to be done.

The twice-yearly tax billing has proved its value by the reduction of the amounts of money borrowed against taxes. The amount required to be borrowed was half the prior amounts. The computer installed in 1987 has also proved invaluable as more and more town financial data is utilized.

Finally, we would like to express our thanks to all town employees and officials, and in particular to the Administrative Assistant, Sandra Gavutis, for all the hard work and long hours that have been contributed to the town this past year and through the years. Continuing to grow and progress while maintaining the special character that is Kensington is a goal well worth striving for by all of us.

Susan S. Maire, Chair
Robert Sargent
Joseph Ripel

NOTES ON BUDGET

In view of the substantial tax increase experienced in 1988, the Board of Selectmen with the assistance of the Budget Advisory Committee have approached the task of preparing the Town Budget with the goal of keeping 1989 tax increases to a minimum.

However, given the increased amounts required by school budget, county budget and waste disposal, last year's (1987) budget would have to be reduces by over $143,000.00 in order to maintain the same tax rate in 1989.

With these facts in mind, the Board of Selectmen has cut appropriations where it was felt that the expenses could be reduced and held increases where required to not more than 5%.

Significant aspects of the budget which should be noted are:

Town Officers' Expenses. The amount proposed is several thousand dollars less than last year because the Selectmen have reduced the salary of the Administrative Assistant. It is hopeful that a new Administrative Assistant can be hired at a lesser salary and/or fewer hours.

Election Expenses. Election expenses are reduced, reflecting the lack of Federal and State primaries and general elections in 1989.

Planning and Zoning. This reduction reflects the elimination of the "Circuit Rider" services used in the past.

Police Department. The proposed budget reflects the 3 officers, voted at Town Meeting in 1988, as full time employees, as well as some part-time officer coverage. The apparent increase is the result of budgeting a full year salary for the third officer instead of only six months. The Selectmen note that the increase in the total years budget has been held to 5%. It is the opinion of the Board of Selectmen that this budget should be carefully reviewed by the Town and further, that the Town seriously consider the number of officers required to meet the Town's needs. Two full-time officers, with some part-time officers and 24 hour "on call" coverage would reduce the budget to approximately $80,000.00.

Fire Department. The increase reflects allocation for much needed maintenance and repair of dry hydrants, and replacement of equipment. With regard to the Ambulance Service provided by the Fire Department, it has been suggested that a fee in the amount of $100.00 be billed for ambulance calls to make the ambulance service self-supporting.

Solid Waste Disposal - Kingston Landfill. The amount proposed is several thousand dollars more because the Town of Kingston has increased the fees for use of the Kingston Landfill from $13.00 per capita to $36.50 per capita effective July 1, 1989.

WARRANT ARTICLES

Capital Improvements - Road Resurfacing. The Selectmen believe that it is necessary to fund this expense. The roads in the Town need attention, and the matter cannot continue to be postponed or ignored.

Kensington Fire Department Lease Purchase. This is the fourth year of the lease/purchase agreement for the Department truck approved at the 1986 Town Meeting.

Southeast Region Refuse Disposal District. This amount represents the Town of Kensington's share of the Operations Budget for the establishe 53-B District. The Town voted to join the District at March, 1988 Town Meeting.

BUDGET FOR THE TOWN OF KENSINGTON

REPORT OF THE KENSINGTON POLICE DEPARTMENT

As your Chief of Police, I am pleased to report to you the activities and progress of the Kensington Police Department for the calendar year 1988.

Since the employment of our third full time officer in July, 1988, we have been able to remain visible as a deterrent, productive in presence, fully prepared for emergencies, and within minutes of your phone call. We now provide this service at a minimum of 16 hours per day, 7 days a week. This also depends on part time availability to cover sick leave, vacations, compensation time and holidays. This coverage is not unreasonable for the activity in our community.

After Town Meeting (1989) we hope to maintain 1988 services and provide emergency call out after midnight. Currently we depend on the availability of outside agencies when our night shift officer secures for the evening.

Other areas of interest have been the minimum standards governing the certification of full and part time police officers. Full time police are still required to attend 10 consecutive weeks of full time training at the Police Academy in Concord. This entails the actual "live in" of the recruit 5 days a week. They return home only on weekends. We currently have one officer in the full time academy.

For part time police, which was a major concern for smaller departments like ours, the number of training hours required by law in the certification of part time police has been increased from 78 hours to 100 hours of formal training in order to simply remain available as part time policemen. It will be difficult to find volunteers to donate time to meet these minimums. Currently, the Town does not allow compensation for part time training.

Another surprise was the requirement that "all" police officers return to the Academy annually for a minimum of eight hours advance training, "Chiefs included". Even though the minimums and requirements create coverage problems and budget concerns, I strongly concur with the training.

The current trend in liability could be staggering to a small town. It's very important the individual who wears our uniform is properly trained and qualified for that responsibility. As you are probably aware, law enforcement officers are the only people, when lawfully justified, who can deprive a citizen from their freedom and to make the ultimate decision to justifiably take a life on the street. The town, Selectmen and Chief of Police "must be confident when designating that much authority

Again this year, I implore all citizens to attend the 1989 Town Meeting and support your police department. Our 1989 budget was held to a 5% cost of living increase. The major increase is contributed to the additional 6 months salary entitled the third officer. This was explained in the 1988 town report and approved at the 1988 Town Meeting. Again, the 1989 budget simply allows us to maintain 1988 services. Any reduction will directly affect patrol time. Please don't allow this to happen and jeopardize public safety.

I would like to take this time to thank the Board of Selectmen for their continuous support and trust. Their job has not been an easy one this year. Department concerns are real, taxes are up, I'm sure their budgetary decisions were a tough one to call. I also want to thank all those who have gone out of their way to show support. It was very much appreciated.

In closing, I want the Town to be assured that the best possible services will be rendered within the budgetary guidelines you allow at the 1989 Town Meeting.

For your information, the following is a consolidated crime report for the Kensington Police Department during the calendar year 1988.

Respectfully submitted,

Michael Aquilina
Chief of Police

Training	266.15	400.00
Uniforms	2,219.00	1,600.00
Leased Cruiser	00.00	4,752.00
Salaries (allows minimal part time coverage to maintain two full shifts per day, 7 days per week. Full-time officers will cover calls after midnight to assure 24-hour availability.)	65,060.79	75,190.00
	$87,353.29	$103,319.00

FIRE DEPARTMENT REPORT 1988

During 1988 the Kensington Volunteer Fire Department celebrated its 40th Anniversary of service to the town.

In 1988 the department responded to 62 fire or emergency calls:

Structural Fires	3
Vehicle Fires	7
Vehicle Accidents	19
Brush - Grass	8
Mutual Aid	8
False Alarms	7
Chimney & Stove	2
Public Assist	4
Misc.	4

633 man hours were used in responding to the above 62 calls. Several thousand hours more were given by the members in training and maintaining department equipment.

Respectfully Submitted,

Chief Hubert A. Schweizer, Jr.

RESCUE SQUAD REPORT 1988

During 1988 the Rescue Squad responded to 74 emergencies as follows:

Medical Emergencies	40
Vehicle Accidents	20
Mutual Aid	14

454 man hours were used to answer these calls. 1988 marked the 5th Anniversary of the ambulance service provided by the fire department to the town.

To make it easier for the fire department and rescue squad to respond to any emergency you may have, please have your house street number on both sides of your mailbox or entrance to your driveway. Thank you.

Respectfully Submitted,

Hubert H. Schweizer, Jr.

REPORT OF THE PLANNING BOARD

The year 1988 brought a significant down turn in real estate activity area wide, and Kensington was no exception.

Proponents of both the major 1987 developments decided to pull out in 1988. One tract was sold to an abutting owner, and the other remains on the market.

Approvals in 1988 were granted for a nine lot development off Route 150, and for three minor subdivisions containing two lots each.

The Planning Board had engineering studies performed at a large gravel pit and passed urgent recommendations to the Board of Selectmen that they require restoration by the owner which will lessen dangerous conditions existing on the site.

On the recommendation of the Fire Department, The Planning Board amended the Town's multi-family regulations to require more stringent fire wall separation between units, and began work on regulations governing metal chimneys.

Harold Bragg
Planning Board Chairman

1989 PLANNING BOARD BUDGET

Legal Fees	$ 750.00
Engineering Fees	500.00
Planning Commission Special Studies	699.00
Planning Commission Dues	1,181.00
Mailings, postage, newspaper	370.00
TOTAL	$ 3,500.00

REPORT OF CEMETERY TRUSTEES

We have once again endeavored to improve the overall appearance of the cemetery. The iron fence along the road had been seriously damaged and there were many finials missing which allow rusting of fence from within. The fence was repaired, and painted and in 1989 the finials will be made, attached and painted which should maintain the fence for many years.

Money was donated for the repair and straightening of the old stones in the cemetery. The work has been partially completed but will need to be finished after the frost is out of the ground.

A new tractor was purchased for use of the cemetery and the park which should make the maintenance job much easier and economical.

The new burial vault has been built and can be used when winter burials are not possible. When funds become available racks will be installed in the vault to provide for increased storage.

The two gates near the road have been closed and cars must enter and leave by the road nearest the Grange Hall. This has been done due to lack of visibility when entering Amesbury Road from the cemetery. The trustees feel that safety warrants the closing of these gates.

In the spring of 1987 the following guide lines were adopted for the cemetery:

Burial Procedure. In the event of a death, the family should contact the Town Office or one of the cemetery trustees.

Lot Selection. In the event the family does not already have a plot, the cemetery trustees will assist the deceased's family in obtaining one. There are two graves per plot.

Winter Burials. Due to weather, road conditions, and frozen or muddy ground, the Village Cemetery will no longer be open for winter burials.

Respectfully Submitted

Harriette H. Willoughby

ANNUAL REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission met at regular intervals throughout 1988. When parcels of land are proposed for development, we have met with the developers to review their plans. We try to encourage protection of the natural features of the land and discourage disturbance of sensitive areas including wetlands. After reviewing plans and site visits, recommendations are made to the town Planning Board and the Board of Adjustment. We also review each dredge and fill application and make further recommendations to the State Wetlands Board.

Don Wilson of Land and Boundary Consultants was hired to research deeds for the Hodges' parcel of land which was given to the town in 1987. Mr. Wilson has worked closely with R.S.L., who surveyed the property and is in the process of preparing a plan. The Hodges' parcel contains a combination of hay fields, forest, and wetland. A ten year agreement was signed with Harry Bodwell for the agricultural management of the hay fields. It is the commissions goal to prepare a forest management plan in 1989. This plan shall follow Hodges' conservation easement deed which reads, "cutting of timber shall be done in accordance with a plan whose goal is not maximum yield of marketable timber but rather maintenance of a healthy forest to preserve wildlife habitat so as to provide for the maximum number of wildlife species and for conservation uses".

It is the hope of the Conservation Commission that this parcel might serve as the nucleus of future donations of land and/or conservation easements which may provide a greenbelt throughout the town.

Respectfully submitted,

Joan Skewes, Chairman

REPORT OF THE BUILDING INSPECTOR

Building permits for 1988 totaled 1,344,600, down from 3,060,000 in 1987 and down from our high of 5,321,455 in 1986. Permits issued were as follows:

Houses	12
Garages	10
Major Remodel	20
Barns & Sheds	3
Pools	2
	47

Total permits issued was 63, the rest being roofing, siding and decks.

Respectfully Submitted

Donald Sadler

REPORT OF THE KENSINGTON RECREATION COMMISSION

The Recreation Commission met several times during 1988. We are pleased to report that several residents have enjoyed participation in the aerobics program which is offered five times a week at the Town Hall. The Committee was extremely disappointed that the Summer Swim Program could not be offered. Despite much advertising, we were unable to find an instructor who was willing to take on the responsibility of purchasing individual insurance.

In addition the committee began research on installing a multi-purpose playing surface at the park. Each year New Hampshire's cities and towns are eligible to apply for 50/50 matching grants for outdoor recreation and park and playground development or renovation. The committee would like to apply for such a grant in building a multi-purpose playing surface.

The committee is enthusiastic about programs proposed for 1989. A ski program has already begun and in late January over ninety people enjoyed a day of skiing at state owned Mt. Sunapee. The pond at the park has begun to be cleaned and next season residents will be able to enjoy skating. A special thanks to those who volunteered for the initial cleanup.

This spring the committee plans to replace worn playground equipment parts and to continue park cleanup.

It is hoped that the once popular summer program can be revived. For the summer 1989 a two week program is planned. There will be two sessions daily (one for kindergarten through grade 2 and one for grades 3 through 6).

Finally the commission will be forming a fall soccer program. The balls have already been purchased and we are looking for volunteers to participate in running the program and building portable goals.

The success of these programs as well as the maintenance of the park depends upon volunteers in our community. Lend a Hand and support Kensington Recreation!

Respectfully Submitted,

Nancy Roffman

REPORT OF THE ROCKINGHAM PLANNING COMMISSION

The Rockingham Planning Commission is in good condition to continue serving the region and the towns which it represents. It's staff is the most experienced and stable it has ever been, and they have become thoroughly familiar with the problems peculiar to our area. The Commission has been free of any serious financial problems for some time now, in part because the state now provides a substantial amount of unrestricted funds. It appears that these contributions will be increased for the ensuing year.

An important part of the Commission's regional effort has been involved with the severe problem of waste management. This has been accomplished primarily by providing administrative and technical assistance to the Southeast Regional Refuse Disposal District; as we did to it's predecessor the Southeast Regional Solid Waste District which was a purely planning organization. It must be understood, however, that the policies of the Refuse District are their own and may or may not agree with those of the Regional Planning Commission. The Planning Commission has made it clear that it will in no way be responsible for representing the Refuse District in any way.

The Commission will again be sponsoring the Household Hazardous Waste Collection program. Last year this program was funded jointly by the county and the state. This year the Southeast Regional Solid Waste District has agreed to support it in it's entirety.

There has been compiled a long and detailed list of the activities which the Commission has done for Kensington in the last year; as well as a summary of it's regional projects. Anyone interested in these or any other matters which the Commission is able to assist with, is encouraged to contact them at their 121 Water Street office or call them at 778-0885.

Respectfully Submitted,

Seth Perry

SCHOOL BOARD OF KENSINGTON, NH

SCHOOL DISTRICT WARRANT
STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Kensington, county of Rockingham, State of New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said Kensington on Saturday, the eleventh day of March, 1989 at seven o'clock in the afternoon to act upon the following articles:

1. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officers or agents of the School District at the same amount as paid in the previous year.

2. To hear the reports of Agents, Auditors, Committees or Officers heretofore chosen and pass any vote relative thereto.

3. To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from any source which becomes available during the fiscal year. Said money must be used for legal purposes for which the School District may appropriate money; requires a public hearing on the action to be taken; must not require the expenditure of other School District funds.

4. To choose Agents and/or Committees in relation to any subject embraced by this Warrant.

5. To see what sum of money the School District will vote to raise and appropriate for the support of schools, for the payment of salaries for School District officials and agents and for the statutory obligations of the District.

6. To see if the School District will vote to support the following:
   Whereas: The New Hampshire Department of Education has determined that more than $200 million dollars will be saved for every high school graduating class if kindergarten is made available to every child, and,
   Whereas: One third of all children in New Hampshire cannot attend kindergarten for financial reasons and it is not only fiscally, but morally the right thing to do,
   Therefore be it resolved that:
   The voters of the Town of Kensington urge the members of the Legislature, the Executive Council and the Governor to approve legislation which will ensure the availability of kindergarten to every child in New Hampshire.

7. To transact any other business that may legally come before this meeting.

Given under our hands at said Kensington this _____ day of February, 1989.

KENSINGTON SCHOOL DISTRICT MEETING

MARCH 5, 1988

There was a delay in the start of the School District Meeting due to the fact that several residents had asked that a more detailed accounting of the School District Budget be provided. A complete breakdown of the School budget was being copied and would be available to the meeting as soon as possible.

The moderator, Hal Bodwell, called the meeting to order at 7:12 PM.

John York led the meeting in a salute to the flag.

Mr. Bodwell stated he would address each article of the warrant on an individual basis.

A motion was made and seconded to dispense with the reading of the minutes of the March 7 and June 16, 1987 School District Meetings. The motion carried.

John Sargent moved to postpone the School District Meeting for two or three weeks due to lack of information regarding the School District budget. The motion was seconded by John Sargent Jr.

John York addressed the meeting stating that it was not good policy to pass a $1,000,000 (Million Dollar) plus budget without prior information. Mr. York also stated that if the town was going to change its policy regarding the delivery of the Annual Town Report it should make residents aware of the change. Mr. York stated that the report should be available to residents seven days prior to the meeting.

The moderator asked Mr. Sargent to clarify the motion.

Mr. Sargent then amended the original motion to read that the School District Meeting be recessed rather than postponed until March 19, 1988 at 7:00 PM. The amendment was seconded by several persons.

Mr. Matthews then addressed the meeting stating that it was sad that so few people came to monthly school board meetings to see the attention that goes into making up the school budget. Mr Matthews felt the meeting could proceed if residents were provided with a more detailed accounting of the budget. Mr. Matthews stated that there was a fair amount of residents attending the School District Meeting.

Town Selectman, Michael Balfe addressed the meeting stating that he resented Mr. York's attack on the selectmen regarding the availability of the Town Report before the meeting. Mr. Balfe stated that the reports were available on the Monday prior to the School District Meeting in accordance with the law and that if people had not received their copy they should have called the Town Hall to get a copy.

Mrs. Tuthill asked if there had been a public hearing on the school budget. Mr. Drew answered yes.

Mrs. Kaler stated that pages 80 and 81 of the Town Report held an adequate accounting of the school budget.

Mr. Kerr addressed the meeting and stated that at the public hearing on the budget no one had attended. Mr. Kerr noted that it was perfectly acceptable to him to recess the meeting until residents had the opportunity to review all line items in the budget.

Mrs. Noll stated that perhaps the meeting could review the details of the budget as soon as it became available.

Mr. Drew asked if the recessed meeting could be held in three weeks as he would be out of town for a few weeks and wanted to be available for the meeting.

Mrs. Smith stated she was opposed to changing the date of the meeting as it was difficult to change plans.

At this point in the meeting a detailed accounting of the budget was made available to the persons attending the School District Meeting.

The amendment was then rescinded and a motion was made and seconded to recess the school district meeting until Tuesday, March 29, 1988 at 7:00 PM.

The vote was called for and the motion did not pass.

Mr. Bodwell then recognized Mrs. Linda Blood who stated that two Kensington Exeter High School students were having a bake sale at the back of the hall to raise money to defray the cost of a trip to Washington, D.C to compete in a National Bicentennial Contest as State Champions.

Dick Drew was then recognized and introduced the two new Assistant Superintendents of Schools, Darrell Lockwood and David Michaud. Mr. Bodwell asked if there were any objections to either of the men or Mr. Scala, Principal of the Elementary School, addressing the meeting. There were no objections.

Hal Bodwell then read the warrant.

ARTICLE 1. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officers or agents of the School District.

John York moved to accept Article 1. The motion was seconded by several persons. Mr. Kerr questioned the motion stating that the Article was inadequate as moved. Mr. Kerr then amended the Article to read: That the salaries of the School Board and Truant Officer and compensation of any other officers or agents of the School District remain the same as the previous year. Mrs. Noll seconded the amendment. The vote was taken and was in the affirmative.

ARTICLE 2. To hear the reports of Agents, Auditors, Committees or Officers heretofore chosen and pass any vote relative thereto.

Dick Drew addressed the meeting thanking the entire Building Committee for their work on the planning of the addition. Mr. Drew also gave special thanks to Rafe Blood and Greenview Landscaping for their help.

Mrs. Smith gave special recognition to Mr. Drew and thanked him for all of his time and effort in overseeing the construction of the school addition.

Mr. Kerr stated that an open house at the school had been held the previous week. Mr. Kerr thanked Mr. Drew for his fine job as "clerk of the works" during construction. Mr. Kerr stated that Engel Construction Company had never had to deal with such a "clerk" as Mr. Drew.

ARTICLE 3. To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from any source which becomes available during the fiscal year. Said money must be used for legal purposes for which the School District may appropriate money; requires a public hearing on the action to be taken; must not require the expenditure of other School District funds.

Mrs. Blood moved to accept Article 3. The move was seconded by several persons.

Gary Easson asked for clarification of the article and further added that many persons are interested in the school district meeting but were unaware of when the meeting was held.

Mrs. Blood stated that the article is always in the warrant and simply means that the school board can accept and expend any monies that become available during the year without calling for a special meeting to accept or spend these monies. Mrs. Blood also stated that the School District Meeting has, for years, been held on the first Saturday in March. Mr. Easson stated his memory was not that good.

The question was called for. The vote was in the affirmative.

ARTICLE 4. To choose Agents and/or Committees in relation to any subject embraced by this warrant.

Mr. Kerr moved to pass over Article 4. Mrs. Blood seconded the motion. There was no discussion. The motion was in the affirmative.

ARTICLE 5. To see what sum of money the School District will vote to raise and appropriate for the support of schools, for the payment of salaries for the School District officials and agents for the statutory obligations of the District.

Dick Drew moved to raise and appropriate the sum of One Million, Four Hundred Fifty Three Thousand, One Hundred Twelve Dollars ($1,453,112.00) for the support of schools, for the payment of salaries for School District officials and agents and for the statutory obligations of the District.

Mrs. Blood seconded the motion.

Mr. Sargent asked that the board review the budget line by line.

Mr. Drew asked if it would be acceptable to just address the major increases in the budget.

Mr. Sargent reiterated his original request however, he stated he would accept the boards decision if they did not want to review each line item.

John Sargent Jr. questioned teacher's salaries and asked for clarification of any increases.

Mr. Kerr answered that teachers had been given an approximate fifteen percent (15%) salary increase. Additional monies were budgeted because some teachers would be completing credited courses which would raise individual salaries.

It was asked if tuition costs at the Jr.and Sr. High Schools were a set figure. The answer was yes.

Mr. Easson asked for clarification of additional courses allowed for teachers.

Mr. Kerr stated that the board reviewed all requests for courses by the teachers.

Darrell Lockwood addressed the meeting and explained that all requests for Staff Development, courses, and conferences were reviewed by the Principal, School Board, and his office for appropriate determination. Mr. Lockwood noted that teachers would be reimbursed for courses if a B grade had been attained. Salaries would then reflect any additional degrees or credits completed. In addition, yearly evaluations are performed on each teacher and reviewed by both the School Board and the Superintendent's Office.

Mr. Gaw questioned the Thirty-seven percent (37%) increase in high school tuition.

Mr. Lockwood explained that the increase was due to the first year negotiated Exeter teacher's salaries and the needed improvements at the high school. Mr. Lockwood noted that the Exeter School District had also instituted a Capital Reserve Fund for improvements at the High School. Mr. Lockwood also stated that next year's increase would not be as large.

Mr. Kerr noted that Exeter and Stratham were discussing a cooperative school district but that the surrounding towns would see additional costs for repairs at the high school in future budgets.

Mrs. Kaler questioned the Jr. High School tuition and was informed that there was a nine percent (9%) increase.

Mr. Sargent questioned the Four Thousand Dollar ($4,000.00) increase in course reimbursement. He asked if the district paid the teachers to take these courses as well as provide an increase in salary when courses were completed.

Mr. Drew stated that yes this was true but was assured that the end result would come back in the form of a better education for the students.

Mr. Easson questioned a line item under regular instruction pertaining to periodicals.

Mr. Scala answered that the item referred to professional journals used by teachers.

John Sargent Jr. asked if Mr. Scala was a teaching principal.

Mr. Scala answered that at one time he did teach but for the past few years he was the Enrichment Coordinator and spent less than half his day teaching enrichment courses to classes.

Mr. Gaw stated that if we added an additional One Thousand, One Hundred Dollars ($1,100.00) per student to the present tuition at the high school the children could attend Berwick Academy.

Mrs. Smith addressed the meeting stating that she was a teacher at Exeter High School and that we should be very proud of our students. Mrs. Smith noted that students from Exeter High School had been Academic Decathalon Champions for the past several years and Exeter had just recently competed and were state champions in a Bicentennial Contest. Mrs. Smith also noted that some of the best students at Exeter High School came from the town of Kensington.

Mr. Kerr stated that he knew of persons who had moved to Kensington because of the good reputation held by the school.

Mr. Gaw asked what the average class size was at Exeter High School stating that he thought it was approximately thirty to one.

Mrs. Smith along with Mr. Lockwood corrected Mr. Gaw stating that the actual class size was more like twenty students per class.

Mr. York called for the question. It was seconded by several persons. The vote was in the affirmative with no descending votes.

Mr. Drew asked if the meeting would like to change the date of the School District Meeting to come after the town meeting to assure the meeting that the Annual Town Report would be available.

Mr. Sargent stated he wanted a more detailed accounting of the budget in future town reports however, no official motion was made to that effect.

Mr. York noted that the date of the School District Meeting was discussed several years ago at length and should stay as it is.

Mrs. Noll stated that the School Board Meetings were held every month and persons who are interested in the budget should come to the meeting to provide their input.

Mr. Easson stated that he was not sure when School Board Meetings were held and thought it was a waste of gas and energy to attend meetings and the problem of knowing what the budget was could be corrected by having it detailed in the town report.

Mr. Lockwood stated that the Board meets every second Thursday of the month and has been for many years.

Mr. Drew stated that the School Board was not responsible for the Town Report.

Mr. Balfe asked the moderator to have the attacks stopped against the selectmen regarding the town report.

ARTICLE 6. To transact any other business that may legally come before this meeting.

Dick Drew moved to pass over Article 6. Mrs. Blood seconded the motion. There was no discussion. The motion was in the affirmative.

John York moved to adjourn the meeting. The motion was seconded by several persons.

The moderator adjourned the meeting at 8:00 PM.

Respectfully Submitted,

Margaret Ruggeri

REPORT OF THE SCHOOL ADMINISTRATORS

William J. Clancy, Superintendent
Derrell J. Lockwood, Assistant Superintendent
David C. Michaud, Assistant Superintendent

Growth at the elementary levels continues to impact on the building needs of SAU #16 communities.

Stratham and Brentwood are currently engaged in building programs, and East Kingston and Exeter will bring proposals to their respective communities at the 1989 School District Meetings.

Renovations and additions to the Exeter AREA High School are in the planning stage as Exeter has engaged the services of an architectural firm which has developed preliminary plans to meet the perceived building needs.

The AREA Review Committee has begun the required process to study the potential of creating a Cooperative to govern and finance the needed change in the high school physical plant as well as investigate the governance issues for all the communities comprising SAU #16.

The SAU #16 staff continues its review of curriculum and is currently engaged in the review of the Mathematics and Reading. The Language Arts, Spelling and Handwriting programs are in the implementation stage during this academic year.

The Exeter School Board has agreed in concept to the establishment of Kindergarten program for the Exeter elementary schools and will consider th establishment of such a program after the approval of needed elementary school space provisions which will be considered by Exeter voters at the 1989 School District Meeting.

The Stratham School Board will sponsor a warrant article to authorize the establishment of a Kindergarten program commencing September, 1989 in the new elementary school.

The communities of SAU #16 continue to be well served by a dedicated group of parent and community volunteers who render valuable supplementary services to our students and schools.

PRINCIPAL'S REPORT

We started the 1988-1989 school year with one hundred thirty six students. Our greatest growth was at grade one which now stands at twenty-six. This was seven students over last years starting enrollment.

The staff, students, and parents of Kensington continue to be very proud and pleased to have sufficient space for classrooms. The additional space has allowed us to start our own library as well as provide space for specialist teachers. The double classroom has provided us with the opportunity to observe many worthwhile whole school assemblies, especially during the Constitutional Ceremonies last year.

Staff changes have included the addition of Bette Hirtle as the teacher for grade 4/3. She replaces Gregg Tolly to whom we extend our best wishes in his future endeavors. Unfortunately, we were unable to secure a University of New Hampshire intern this school year. We, therefore, redesigned Mrs. Kilcoyne's position to include half-time Grade 1 teacher and half-time reading tutor for those students who require extra help with reading. Finally, we welcome Donna Goodspeed as the new Speech Therapist. Fortunately, this years staff changes have been the fewest we have experienced in many years.

Standardized testing was administered in September to grades 4 and 6. We continue to be proud of our student's achievement levels. Kensington students have always continued to perform at levels above the national averages. We need to be thankful to our fine teaching staff. We are grateful to parents and the community who continue to support and fund many fine programs for the students. This certainly plays a contributing factor in how our students achieve throughout their school years.

Finally, a note of thanks to the many parent groups that work to help the children of Kensington. We have the Parent Teacher Organization who has been very supportive of the new library and who also provide a monthly hot lunch. The Enrichment Committee works diligently to provide rewarding experiences for all of the Kensington students. The Parent Advisory Committee serves as a sounding board for new ideas and programs which effect the school. The Parent Volunteer Program, which involves many parents, works directly with students in the classroom. Finally, the Odyssey of the Mind coaches who now deal with students on an out of school Enrichment Program that has been very challenging and exciting for the students.

We have an excellent school with many worthwhile challenging programs and staff that work very hard to meet that challenge. With your continued support we can continue to provide a school we are all proud of!

INFORMATION FOR KENSINGTON RESIDENTS

RULES & REGULATIONS FOR WASTE OR REFUSE DISPOSAL

1. There will be a house to house pickup every Wednesday of each week.
2. Waste must be contained in plastic bags or trash containers, not to exceed a capacity of 30 gallons.
3. Solid waste must be placed at end of driveway at 6:30 a.m.
4. Weight of any container must not exceed 100 pounds.
5. No brush or stumps will be picked up and no 55 gallon drums are to be used.
6. Refrigerators, stoves, washing machines, dryers and tires will be picked up at a predetermined date.
7. There will be a container placed at the elementary school for the use of the school, fire house, library, town hall and church.
8. No petroleum products, car batteries or ashes will be picked up.

LICENSING OF DOGS

Each owner of a dog three months old or over must license the dog with the Town Clerk before May 1st of each year. Each dog over six months old must have received a rabies vaccination. The certificate of vaccination is to be presented to the Town Clerk at time of licensing. Each dog must wear a collar around its neck; attached to the collar a metal tag distinctly marked with its license number.

License fees are as follows:

Male	6.00	Female	6.00
Neutered Male	3.50	Spayed Female	3.50

Penalties - $1.00 per month after June 1st

JUNK CAR REGULATIONS

New Hampshire Statute requires anyone with two or more unregistered or old cars no longer intended or in condition for legal use on highways or used auto parts equal in bulk to two vehicles must obtain a license or be subject to a $10.00 a day fine and a mandatory injunction to end the violation by the selectmen. New and used car dealers registered as such are not considered auto junk dealers but must remove junk cars from their premises within 160 days.
